FICTIONAL DEMONSTRATION POLICY. This document was created for the OnboardIQ college project demo. OnboardIQ Technologies is a fictional company; this is not a real company policy and must not be relied on.

Purpose

This policy explains how much paid leave employees of OnboardIQ Technologies receive, how to apply for leave, and the attendance rules that apply on working days.

1. Annual paid leave

Full-time employees receive eighteen (18) days of paid annual leave per calendar year (January to December).

Annual leave accrues monthly at 1.5 days per month of service, starting from the date of joining. Employees who join during the year receive a pro-rated entitlement.

New joiners can start using accrued annual leave after completing their first thirty (30) days of service.

Up to ten (10) unused annual leave days may be carried forward into the next calendar year. Carried forward days must be used by March 31, after which they expire.

Annual leave cannot be encashed, except for unused days paid out at the end of employment as required by local law.

2. Sick leave

Employees are entitled to eight (8) days of paid sick leave per calendar year. Sick leave does not carry forward.

Sick leave can be recorded on the day of absence. Inform your manager by 10:00 AM on the first day of absence.

A medical certificate from a registered doctor is required for sick leave longer than three (3) consecutive days.

3. Casual leave

Employees receive six (6) days of paid casual leave per calendar year for personal matters such as family events or urgent errands.

Casual leave can be taken for at most two (2) consecutive days at a time and cannot be combined with annual leave.

Apply for casual leave at least one working day in advance. In an emergency, it may be applied for on the same day before 10:00 AM.

Unused casual leave lapses on December 31 and cannot be carried forward or encashed.

4. Public holidays

OnboardIQ Technologies observes ten (10) public holidays each year. The holiday list for the year is published in the HR portal every January.

Employees asked to work on a public holiday receive one compensatory day off, to be used within sixty (60) days.

5. Summary of leave types

Leave type	Days per year	Carry forward	Notice required
Annual leave	18	Up to 10 days (use by March 31)	3 working days
Sick leave	8	No	Same day, by 10:00 AM
Casual leave	6	No	1 working day (same day in emergencies)
Public holidays	10	Not applicable	Published every January

6. Leave application and approval process

- Step 1: Apply in the HR portal under Leave, choosing the leave type and dates.
- Step 2: Annual leave requests must be submitted at least three (3) working days in advance; requests of five or more consecutive days need two weeks' notice.
- Step 3: Your manager approves or declines the request within two (2) working days.
- Step 4: If your manager has not responded within two working days, the request is escalated automatically to the skip-level manager.
- Step 5: Approved leave appears on the team calendar. Cancel unused approved leave in the HR portal before it starts.

7. Attendance rules

Standard working hours are 9:00 AM to 6:00 PM, Monday to Friday, including a one-hour lunch break.

Core collaboration hours are 10:00 AM to 4:00 PM on working days. All employees must be available during core hours.

If you will start later than 10:30 AM, inform your manager in advance.

Absence without notice for three (3) consecutive working days is treated as unauthorised absence and may lead to disciplinary action under the Code of Conduct Policy (OIQ-HR-COC-007).

Questions about leave or attendance can be raised with People Operations through the HR portal or at people.ops@onboardiq-demo.example.
