FICTIONAL DEMONSTRATION POLICY. This document was created for the OnboardIQ college project demo. OnboardIQ Technologies is a fictional company; this is not a real company policy and must not be relied on.

Purpose

This policy describes the health, insurance and wellness benefits that OnboardIQ Technologies provides, who is eligible, and how to enroll.

1. Eligibility requirements

Full-time permanent employees are eligible for all benefits in this policy from their date of joining.

Fixed-term employees with a contract of six (6) months or longer are eligible for health insurance and wellness benefits.

Interns and consultants are not eligible for health insurance, but may use the Employee Assistance Program.

Benefits end on the last working day of employment.

2. Health insurance

Eligible employees are covered by the company group health insurance plan, provided by CareShield Health (a fictional insurer).

The plan covers the employee, their spouse or partner, and up to two (2) children.

The sum insured is INR 5,00,000 per family per policy year, and the full premium for this cover is paid by the company.

Parents or parents-in-law can be added as an optional top-up. The top-up premium is paid by the employee through monthly salary deductions.

Cashless treatment is available at network hospitals listed in the CareShield app. For other hospitals, submit reimbursement claims within thirty (30) days of discharge.

Group term life insurance of three times (3x) annual fixed pay and personal accident cover of five times (5x) annual fixed pay are provided at no cost to the employee.

3. Benefits enrollment process

- New employees must enroll in the health insurance plan within ten (10) calendar days of their date of joining, using the Benefits section of the HR portal.
- Add dependants' names, dates of birth and relationship, and upload one identity document for each dependant.
- Coverage starts from the date of joining once enrollment is completed within the ten-day window.
- Employees who miss the enrollment window are covered for themselves only until the next annual open enrollment, which runs from January 1 to January 15.
- Changes after a life event (marriage, birth or adoption of a child) can be made within thirty (30) days of the event.

4. Employee wellness benefits

Every eligible employee receives an annual wellness allowance of INR 12,000 per calendar year for gym memberships, fitness classes, sports equipment or wellness apps.

Claim the wellness allowance in the expense portal with receipts. Claims submitted by the 15th of a month are paid with that month's salary.

A free annual health check-up is available once per calendar year at partner diagnostic centres.

The Employee Assistance Program (EAP) offers six (6) free, confidential counselling sessions per year and a 24x7 support helpline for employees and their immediate family.
